SPECIAL NOTICE TO CONTRACTORS

Electronic Delivery Management System (e-Ticketing)

At this time the Department will no longer be requiring the use of the Departments e-ticketing Portal for all electronic tickets for asphalt construction beginning with the August 2026 letting. Section 110 in the 2024 supplemental specifications will control the requirements for e-ticketing.

SPECIAL NOTICE TO CONTRACTORS

As part of Georgia DOT's Digital Delivery initiative, an upcoming project (PI#0016469, currently scheduled for the December 2026 letting) will be let using a **Model as Legal Deliverable (MALD)** approach. Under MALD, specific elements of the digital design model will serve as contractual deliverables in addition to the traditional construction documents and plans package.

SUBJECT: Georgia Highway Wage Survey

The U.S. Department of Labor is encouraging employers and stakeholders in Georgia's highway construction industries to participate in a survey that will help establish prevailing wage rates for construction workers on federally funded and assisted construction projects.

The Davis-Bacon and Related Acts require the department to set the prevailing wage rates that reflect the actual wages and fringe benefits paid to construction workers in the county where the work occurs.

This survey requests information about wages paid by employers on highway construction projects in Georgia where construction occurred for at least one day from September 3, 2025, to December 2, 2026.

Not limited to federally funded construction projects, survey findings are critical to the publication of prevailing wage and fringe benefit rates that reflect the rates paid accurately in the area being surveyed. Complete determinations also reduce the number of contractors requesting additional labor classifications. The department encourages all industry employers and stakeholders to participate.

The survey opens on September 3, 2026, and closes on December 2, 2026. To be included, please submit survey responses through our website. Online completion of the survey is strongly encouraged.

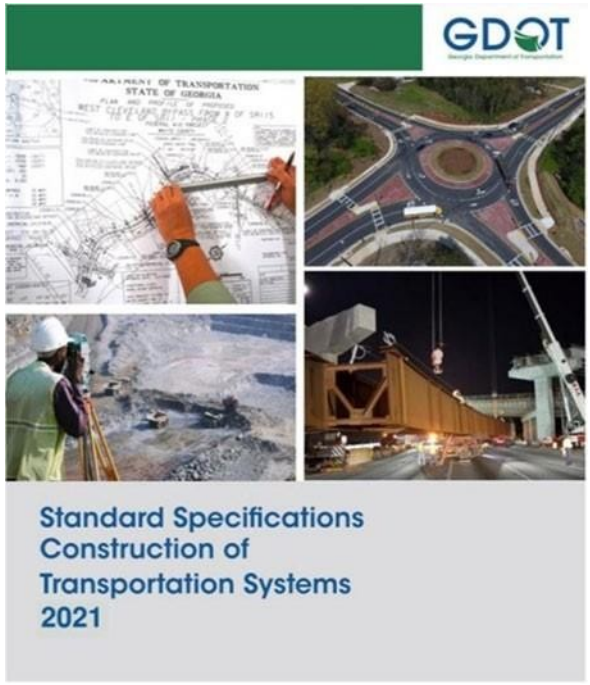

Learn more about the surveys.

If you have questions about the survey process and forms, please contact the Branch of Wage Surveys at (202) 343-2005 or Davisbaconinfo@dol.gov or Acting Branch Chief Gabe Gelbtuch at (312) 315-4120 or gelbtuch.gabriel@dol.gov.

People interested in getting more information about this survey may attend our free online briefings that will describe the survey process and offer instructions for completing the survey. These briefings will be held on September 8 and September 10. Register to attend an upcoming briefing.

SPECIAL NOTICE TO CONTRACTORS

Georgia DOT 2021 Construction Spec Book available for Purchase

To all Contractors, Subcontractors, Suppliers and Vendors interested in purchasing a printed publication of the 2021 Standard Specifications, it is **now available for purchase online** through **MORE Business Solutions** at the link below:

https://marcomcentral.app.pti.com/More_Business_Solutions/GDOT books

Each publication contains a two-volume set. For more information please contact **MORE Business Solutions at 770-225-0321 or visit morebizz.net .**

SPECIAL NOTICE TO CONTRACTORS

Georgia DOT 2024 Supplemental Specifications available online

The 2024 Supplemental Specifications, it is now available **online only** via the link below. Printed publications will not be available for purchase.

The Supplemental Specifications consolidates Supplemental Specifications and Special Provisions publishes after the 2021 Standard Specifications into one concise document.

https://www.dot.ga.gov/PartnerSmart/Business/Source/special_provisions/2021%20Supplemental%20Specifications/2021Supplemental%20Specifications%202024%20Edition.pdf

SPECIAL NOTICE TO CONTRACTORS

Amendment to Advertised Contract

Beginning with Projects advertised in the July 19, 2024, Letting, the 7 Series Plan Sheet (Quantities Required by Amendment), will no longer be included with an Amendment.

The final 7 Series Plan Sheet will be provided after Award of the Project. Please refer to the *Amendment to Advertised Contract* Document for Revisions to Quantities.

Should you have questions or need assistance, please contact the Office of Construction Bidding at (404) 631-1147.

SPECIAL NOTICE TO CONTRACTORS

Important Notice to Prequalified Contractors and Registered Subcontractors

In an effort to continue our partnership with the Contracting community, while minimizing delays in the awarding of contracts after bids have been opened and insuring that Department contracts will only be awarded to reliable bidders, we request that all Bidders check the expiration date of their Certificate of Qualification or Registration.

If the certificate is within 90 days of expiration, the Department encourages each Prequalified Contractor and Registered Subcontractor to submit an application for renewal of your certificate as soon as possible. As a courtesy, GDOT can grant up to a 90-day extension, if requested for the preparation of a new application and receipt of a new certificate. All applications must be received not less than ten (10) days before the Let Date. A new application must be submitted for renewal of prequalification certificates.

Applications can be downloaded from the Departments' website at the link below:
https://www.dot.ga.gov/GDOT/pages/ConstructionContractors.aspx

Please submit applications to ContractorPrequalification@dot.ga.gov.

Questions or comments call (404) 631-1147

SPECIAL NOTICE TO CONTRACTORS

Buy America Special Provision Update

Beginning with the January 20, 2023 Letting, the Buy America Special Provision has been updated with new Federal Highway Administration Requirements for federal projects.

DEPARTMENT OF TRANSPORTATION
STATE OF GEORGIA

REQUIRED CONTRACT PROVISIONS FOR FEDERAL-AIDCONTRACTS

BUY AMERICA

November 18, 2022

All iron, steel, coatings and construction materials permanently incorporated into this project must be produced in the United States of America.

This requirement, however, does not prevent a minimal use of foreign materials and coatings, provided the cost of materials and coatings used does not exceed one-tenth of one percent (0.1 percent) of the total contract cost or $2,500.00, whichever is greater.

However, pig iron and processed, pelletized, or reduced iron ore used in the production of these products may be manufactured outside the UnitedStates.

Construction materials shall include an article, material, or supply that is or consists primarily of:

- of non-ferrous metals;
- plastic and polymer-based products (including polyvinylchloride, composite building materials, and polymers used in fiber optic cables);
- glass (including optic glass);
- lumber; or
- drywall.

Construction materials do not include iron and steel; manufactured products; cement and cementitious materials; aggregate such as stone, sand, or gravel; or aggregate binding agents or additives.

NOTE: Coatings include: epoxy coating, galvanizing, painting and any other coating that protects or enhances the value of the material.

CONVICT PRODUCED MATERIALS

April 16, 2021

Materials produced by convict labor after July 1, 1991, may not be used for Federal-Aid highway construction projects unless it meets the following criteria:

1. The materials must be produced by convicts who are on parole, supervised release or probation from a prison; or,

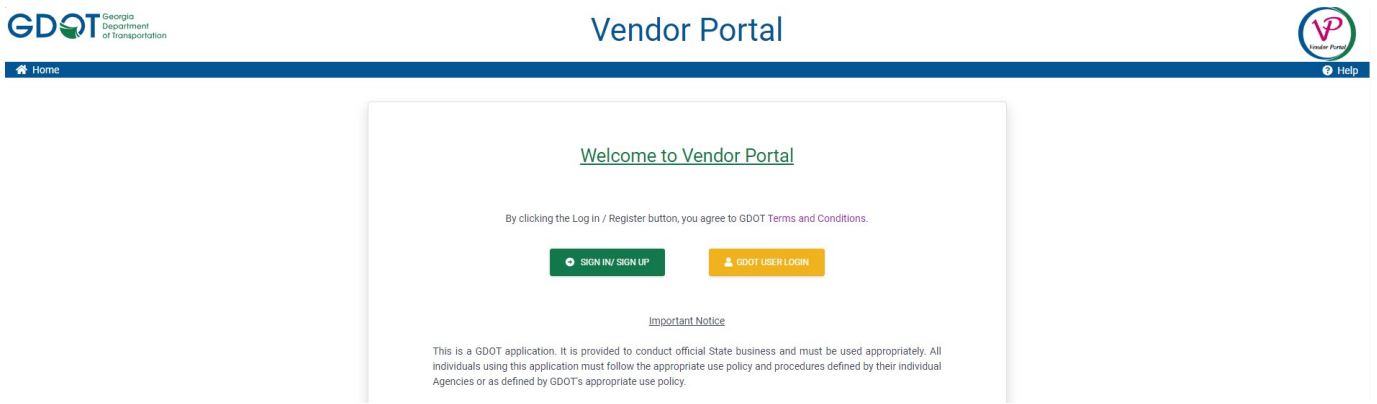

2. If produced in a qualified prison facility, the amount of such materials produced in any 12-month period shall not exceed the amount produced in such facility for such construction during the 12-month period ending July 1, 1987. A qualified prison is defined as one producing convict made materials prior to July 1, 1987.

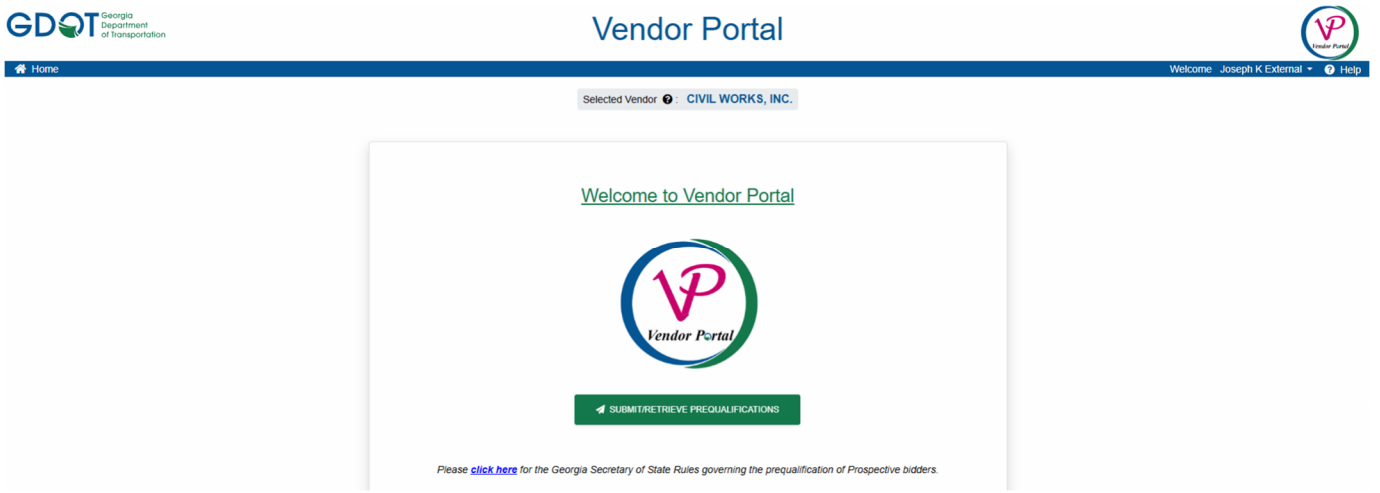

SPECIAL NOTICE TO CONTRACTORS

Vendor Portal Application is currently in use for electronic submissions of contractor applications. Contractors may use the link below to submit initial or renewal registration or qualification applications.

https://vendorportal.dot.ga.gov/

Beginning June 1, 2025, all contractors will be required to submit their applications through Vendor Portal.

For any questions, please contact contractorprequalification@dot.ga.gov.

SPECIAL NOTICE TO CONTRACTORS

GEORGIA DEPARTMENT OF TRANSPORTATION ANNOUNCES DESIGN-BUILD PROJECT

Georgia DOT is seeking to contract with a Design-Builder to provide design and construction services necessary to construct two new US 278 grade-separated overpass bridges to provide sufficient vertical clearance for future, planned spur tracks connecting CSX railroad with the economic development site in Walton County, GA.

The Public Notice Advertisement (PNA) is issued through the Georgia Procurement Registry (GPR) at https://ssl.doas.state.ga.us/gpr/.

The subsequent Request for Qualifications (RFQ) will contain project-specific instructions for the proposed project, including the DB Selection Method, the point of contact for written questions, and any communication restrictions that may be in effect for this solicitation. Information concerning Georgia DOT's DB process can be found at: https://www.dot.ga.gov/GDOT/Pages/DesignBuild.aspx.

GENERAL PROJECT INFORMATION

Project Identification Number 0019253 – US 278 Grade Separation over CSX RR

Georgia DOT intends to solicit responses for services to design and construct two new US 278 grade-separated overpass bridges to provide sufficient vertical and horizontal clearance for future, planned spur tracks connecting CSX railroad with the economic development site. The completed project will provide two reconstructed lanes (one in each direction) along US 278/SR 12 between East Hightower Trail and West Dixie Highway near the Walton County line. Reconstruction of the intersections is not anticipated to be included in the project (the "Project").

The Project Synopsis is located on Georgia DOT's DB SharePoint site, at: https://mydocs.dot.ga.gov/info/designbuild/_layouts/15/start.aspx#/ in the following folder: **0019253 - US 278 Grade Separation over CSX Railroad Project**.

TENTATIVE SCHEDULE OF EVENTS

The Tentative Schedule of Events listed in the PNA posted on the GPR represents Georgia DOT's best estimate of the schedule. All times indicated are prevailing times in Atlanta, Georgia. Georgia DOT reserves the right to adjust the Tentative Schedule of Events in its sole discretion. The Project-specific PNA can be found on the GPR at: https://ssl.doas.state.ga.us/gpr/eventDetails?eSourceNumber=PE-48401-RFQC-2026-000000512&sourceSystemType=gpr20.

All general communication of relevant information regarding this solicitation will be made via the GPR through the advertisement of the Request for Proposals. All Proposers that respond to a Georgia DOT-issued Design-Build solicitation are responsible for checking the GPR on a regular basis for updates, clarifications, and announcements.

A virtual **Industry Forum** and virtual and/or in-person **one-on-one meetings** will be conducted for this Project at the dates, time, and location noted in the PNA. During the Industry Forum presentation, Georgia DOT will provide information regarding the Project's delivery goals, anticipated scope, anticipated DB procurement process, and potential risks. There is no limitation on the number of participants. This is a recorded presentation, and participants will not be provided the opportunity to ask questions. Any information provided by Georgia DOT shall be considered informational only and is subject to change. Participants will be able to ask questions during the scheduled one-on-one meetings. Interested parties can preregister **here** for access to the pre-recorded Industry Forum 24 hours before the date and time noted in the PNA.

A limited number of virtual and/or in-person one-on-one meetings will be available following the Industry Forum on a first come, first served basis between interested parties and Georgia DOT staff. Each one-on-one meeting will be limited to 30 minutes. **To schedule a one-on-one meeting, send an email to US278-CSX-RR@dot.ga.gov by 11 a.m. on January 30, 2026. Include in the email three (3) available 30-minute time slots (ranked in order of preference) and up to six (6) attendees. For each attendee, include their name, title/role, company, email address, and whether they will attend virtually or in-person.** Georgia DOT will respond with a meeting invitation including a specified date, time, location (if needed for in-person attendees), and secured login information (if needed for virtual attendees). To ensure confidentiality of the one-on-one meeting, **do not forward the meeting invitation**.

SPECIAL NOTICE TO CONTRACTORS

Guide to Construction Deliverables

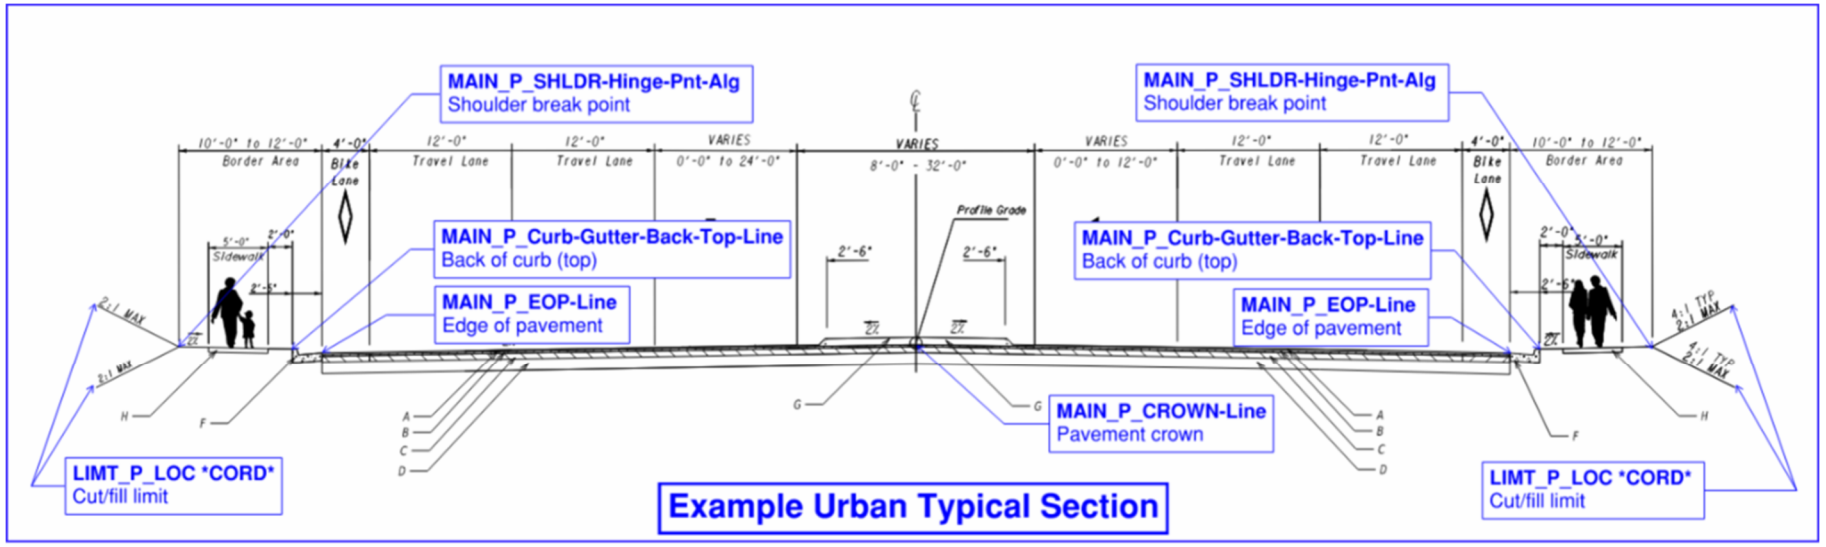

Based on the Chief Engineer's 3D Modeling Guide Document and Deliverable Requirements Memo (August 1st 2025), additional, for information only, 3D deliverables will be provided at final plans for all projects developed in non-legacy software which include earthwork/grading operations (typically reflected in plans Section 23 or Section 18) beginning with the March 2026 letting. No changes have been made to files provided during bidding for projects designed in legacy software (i.e. CAiCE, InROADS). Below is a breakdown of the files being provided:

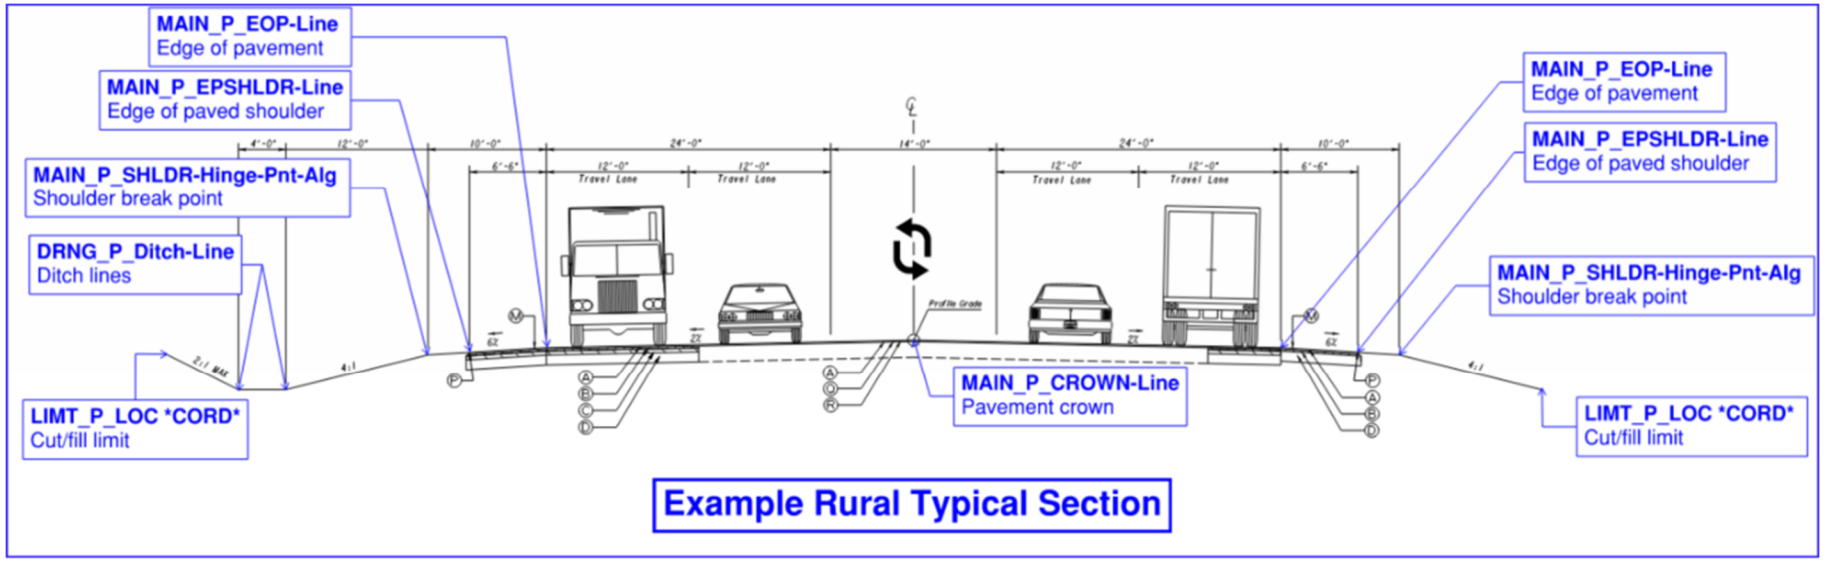

.DXFs

.DXF files will include 3D Polyline data pulled from the Designer's 3D Model used for plans development. The .dxf files that will be included going forward will be as follows:

- **PI#AMG_Alignment.DXF**
  - Export of the design alignments as 2D elements.
- **PI#AMG_Final Finish Grade-3D.DXF**
  - Export of the final, triangulated 3D Design Surface including contours and surface triangles.
- **PI#AMG_Corridor Breaklines-3D.DXF**
  - Export of the Final 3D Design Surface Breaklines.
- **PI#AMG_Pavmt Surface-3D.DXF**
  - Export of the 3D Polylines from the Final 3D Design Surface. This includes the following elements:
    - MAIN_P_CROWN-Line
    - MAIN_P_Curb-Gutter-Back-Top-Line
    - MAIN_P_EOP-Line
    - MAIN_P_EPSHLDR-Line
    - MAIN_P_SHLDR-Line
    - MAIN_P_SHLDR-Hinge-Pnt-Alg
    - DRNG_P_Ditch-and-Channel-Line
    - DRNG_P_Ditch-Line
    - LIMT_P_LOC *CORD*

    The following page shows an urban and rural typical section defining the locations of these exported 3D Polylines:

.XMLs

.XML files will still be provided for existing and final finish grade surfaces. Additionally, alignments used to develop the plans will be exported in the .xml format. This deliverable will take the place of the previously provided .txt and .html alignment reports.

.DGNs

.DGN files used by the designer to build the plans and 3D model will be provided to the contractor. Below is a breakdown of the DGNs files that the designer will provide with a description of the files (defined in Section 2.2 and 2.3 of the OpenRoads Designer Electronic Data Guidelines):

SPECIAL NOTICE TO CONTRACTORS

Prohibition on Telecommunications Equipment or Services

Effective immediately, in accordance with **2 CFR 200.216** and **2 CFR 200.471** the Department, as a recipient of Federal funds, and its subrecipients and suppliers are prohibited from procuring or obtaining; extending or renewing a contract to procure or obtain; or entering into a contract to procure or obtain telecommunication or video surveillance equipment, services, or systems producedby:

- **Huawei Technologies Company or ZTE Corporation** (or any subsidiary or affiliate of such entities).
- **Hytera Communications Corporation, Hangzhou Hikvision Digital Technology Company,** or **Dahua Technology Company** (or any subsidiary or affiliate of such entities).

Bidders are advised to review all equipment, services, or systems intended for use in advertised Federally funded projects, including but not limited to ITS/ATMS, video, computers, etc.

Should you have questions or need assistance, contact the Office of Construction Bidding Administration at 404-631-1147.

August 14, 2020

SPECIAL NOTICE TO CONTRACTORS

Request for Eligibility to Bid

All Bidders for each Letting Call Number shall submit the completed “Request For Eligibility To Bid Form D.O.T. RFETB” to the GDOT Office of Construction Bidding Administration by no later than 12:00 p.m. on the day prior to the Bid Opening.

If the “Request for Eligibility To Bid Form D. O. T. RFETB” is not received by the GDOT Office of Construction Bidding Administration by no later than 12:00 p.m. on the day prior to the Bid Opening, the Bid will be subject to rejection

Email the completed **Request for Eligibility to Bid** form to SalesOffice@dot.ga.gov

For all other Bid Documents **(including E-verify, Certificate of Current Capacity and Status of Contracts on Hand, Bid Opportunity List and DBE Commitments Letters)** email completed forms to biddocuments@dot.ga.gov

Questions or comments call (404) 631-1147

SPECIAL NOTICE TO CONTRACTORS

The Department is requesting Industry's help in publishing the Eligible Bidders List for Advertised Contracts by midday on Tuesday one and a half weeks before the Letting. In order to accomplish this, we would need to receive your Request on projects in the Letting no later than close of business on Monday, the week prior to the Letting. This does not mean the selection is binding. The forms are located at the following electronic address:

https://www.dot.ga.gov/GDOT/pages/Contractors.aspx

To access this information at the above web address, select *Forms under the Bidding/Letting Tab*. This will take you directly to the Files page where you will locate the subheadings:

Prime Bidder - select *Request for Eligibility to Bid (RFETB)Form*

Subcontractor/Manufacturer/Supplier - select *Request for Listing in the Eligible Bidders List Form (RFLEBL) as a Subcontractor/Manufacturer/Supplier*

Submittals should be emailed to salesoffice@dot.ga.gov .

The improved time with Electronic Proposals being available for viewing or printing the day advertised should allow Contractors/Subcontractors/Manufacturers to finalize their decision as to how they prefer to be specified in this listing prior to the Department publishing the Eligible Bidders List.

Should you have problems and need assistance, contact information is provided below:

William Dunwoody @404-631-1147

Revised: August 10, 2022

SPECIAL NOTICE TO CONTRACTORS

Georgia Security and Immigration Compliance Act Affidavit (E-Verify)

The Apparent Low Bidder for each Letting Call Number shall submit the completed "Georgia Security and Immigration Compliance Act Affidavit" to the GDOT Office of Construction Bidding Administration, Room 1113, in a sealed envelope or an executed copy of the affidavit can be emailed to BidDocuments@dot.ga.gov by 12:00 noon on the first working day after the Bid Opening as a matter of Bidder responsibility.

If the "Georgia Security and Immigration Compliance Act Affidavit" is not delivered or emailed to the GDOT Office of Construction Bidding Administration by 12:00 noon on the first working day after the Bid Opening, the Bid will be subject to rejection.

Email the completed **Georgia Security and Immigration Compliance Act Affidavit (E-Verify)** form to BidDocuments@dot.ga.gov

Questions or comments call (404) 631-1147

SPECIAL NOTICE TO CONTRACTORS

Certificate of Current Capacity and Status of Contracts on Hand

The apparent low Bidder for each Letting Call Number shall submit the executed "Certificate of Current Capacity" and the "Status of Contracts on Hand" to the GDOT Office of Construction Bidding Administration, Room 1113, in a sealed envelope by 12:00 p.m. on the first working day after the Bid Opening or by email to BidDocuments@dot.ga.gov.

If the "Certificate of Current Capacity" and the 'Status of Contracts on Hand" are not delivered to the GDOT Office of Construction Bidding Administration, Room 1113, in a sealed envelope by 12:00 p.m. or emailed to BidDocuments@dot.ga.gov on the first working day after the Bid Opening, the Bid may be subject to rejection.

Email the completed **Certificate of Current Capacity and Status of Contracts on Hand** forms to BidDocuments@dot.ga.gov

Questions or comments call (404) 631-1147

SPECIAL NOTICE TO CONTRACTORS

PRE-BID EXPLORATION ACTIVITIES & POTENTIAL IMPACTS TO FEDERALLY-LISTED BATS

Beginning with projects advertised in the July 19, 2019 Letting, under provisions of the Endangered Species Act, pre-bid exploration activities **will not** be restricted due to Federal protection of bats in North Georgia. **This exception applies to bat species only**. These exploration activities include subsurface sampling and testing to determine soil characteristics, which is accomplished by drilling test holes or digging soil pits. When drilling is done off the roadway, impacts shall be minimized as much as possible through the selection of an appropriate sized and mounted drill rig, and limited vegetation removal as necessary.

Should you have questions or need assistance, contact William Dunwoody at 404-631-1147.

SPECIAL NOTICE TO CONTRACTORS

CERTIFICATION OF COMPLIANCE—STATE OF GEORGIA SEXUAL HARASSMENT PREVENTION POLICY

The State of Georgia promotes respect and dignity and does not tolerate sexual harassment in the workplace. The State is committed to providing a workplace and environment free from sexual harassment for its employees and for all persons who interact with state government. All State of Georgia employees are expected and required to interact with all persons including other employees, contractors, and customers in a professional manner that contributes to a respectful work environment free from sexual harassment. Furthermore, the State of Georgia maintains an expectation that its contractors and their employees and subcontractors will interact with entities of the State of Georgia, their customers, and other contractors of the State in a professional manner that contributes to a respectful work environment free from sexual harassment.

Pursuant to the State of Georgia's Statewide Sexual Harassment Prevention Policy (the "Policy"), all contractors who are regularly on State premises or who regularly interact with State personnel must complete sexual harassment prevention training on an annual basis.

Beginning with the July 19, 2019 letting, the Department will require the contractor to certify compliance with Sexual Harassment Prevention Policy and training requirements on all awarded projects. A certification of compliance statement will be included in all proposals and will require execution by all awarded contractors.

SPECIAL NOTICE TO CONTRACTORS

N-26

Transition from Trns•port Expedite® to AASHTOWare Project Bids®

Effective with the November 16, 2018 Letting, the Department will be switching from **Trns•port Expedite®** to **AASHTOWare Project Bids® Bid component**. Each contractor will be required to obtain a new Digital ID and download the new software prior to biddingin the November 2018 Letting. A link to the Project Bids is available in the ***Downloads*** section of Bid Express. In addition, detailed instructions are also available in the ***Also Available*** section of Bid Express. Please click on the link below to access both: https://www.bidx.com/ga/main?change=changeagency

In preparation for bidding with the new software, **AASHTOWare ProjectBids® Bid component,** please ensure you have done the following prior to bidding:

1. Download the new software.
2. Create your new Digital ID for the Bidscomponent.
3. After you receive notification that the Digital ID has been enabled, request to bid with the Georgia DOT. The agency will receive your request and will approve or reject you for bidding. You will not be able to bid to the agency until the agency has approved your request.

SPECIAL NOTICE TO CONTRACTORS

The Department is moving to limit the posting of amendments for advertised contracts to the **close of business of the Friday the week before the Letting**. In order to accomplish this, ***ALL*** questions and comments must be submitted by the **close of business of the Friday two weeks before the letting**.

All questions and comments received after the Friday before the week of the Letting will be documented, **but a response will not be provided.** Bidders are instructed to prepare their bids using the information provided in the plans, proposals and any posted amendments arising out of questions and comments accordingly.

Office of Construction Bidding Administration

June 23, 2017

SPECIAL NOTICE TO CONTRACTORS

REQUEST FOR INFORMATION THROUGHBIDX

Beginning with the **June 16, 2017** Letting, all inquiries concerning contract requirements shall be submitted through the Question and Answer feature for Georgia Department of Transportation proposals in BidX. This feature will allow interested parties to submit requests for information, questions, and comments on the letting as a whole or for a single proposal. Any responses shall also be posted through this feature.

The information contained in the Questions and Answers is for information only. The written contract documents and amendments will be the sole basis for the administration of an executed contract and Contractors shall prepare their bids accordingly. Contractors and/or their representatives are referred to the Standard Specifications Subsection 101.16 – Contract; and Subsection 102.05 – Examinations of Plans, Specifications, Special Provisions, and Site of the Work.

Any questions concerning the use of the Question and Answer feature in BidX can be directed to Bid Express at https://www.bidx.com/site/contact_us or the Office of Construction Bidding Administration at 404-631-1147.

Office of Construction BiddingAdministration

SPECIAL NOTICE TO CONTRACTORS

In July 2015, Governor Deal signed into law the Transportation Funding Act (TFA) – dedicated transportation funding approved by the legislature to advance transportation and help make Georgia the #1 state for business investment. This much-needed funding – an estimated $830 million to $1 billion in annual revenues offers Georgia DOT the opportunity to address critical infrastructure needs in routine and capital maintenance.

One way the Department is using TFA funds is to address Maintenance & Operational Needs. Georgia DOT has prioritized the backlog of transportation needs for this additional funding; A primary focus areas include maintenance and operations. For example: Increased routine maintenance (pothole repair, grass mowing, litter pick-up, striping, guardrail repair and other preventative maintenance.)

To meet the needs of the Department and the procurement laws of Georgia, the GDOT State Maintenance Office and the Office of Procurement partnered to create a pre-qualification process for *Routine Maintenance Services Program* and a streamlined bidding process for specific service categories, listed below:

- Fencing, Barricades and Handrail Maintenance
- Herbicide Application
- Highway Mowing and Maintenance (Mowing Services)
- Landscaping Maintenance
- Pavement Marking – Shortline Pavement Striping
- Pavement Preservation
- Concrete and Portland Cement Concrete (PCC) Pavement Maintenance
- Sound Barrier Wall Installation, Repair and Maintenance
- Traffic Signal and Device Maintenance
- Tree Cutting, Pruning and Removal
- Vegetation Removal
- Drainage Rehabilitation, Repair, Replacement, & Miscellaneous
- Guardrail Maintenance
- Sweeping and Storm Drain Cleaning
- Bridge Maintenance and Repairs

For those contractors who are currently prequalified as a GDOT Construction Prequalified Contractor or Registered Subcontractor through GDOT's Construction Bidding Administration Office, and want to be prequalified to perform maintenance projects under the *Routine Maintenance Services Program*, there is now a modified prime contractor's application form available. We welcome you to participate. The application form and all applicable documents, resources and other guidance may be found on the GDOT website at:

https://www.dot.ga.gov/GDOT/pages/routinemaintenance.aspx

There are administrative functions that must be completed before you are able to bid on and subsequently be awarded posted events.

- **A complete application must be received**
- **Your company must be registered as a vendor in the States accountingsystem**
- **Your company must be registered in Team Georgia Marketplace (this is the bidding system for the *Routine Maintenance Services Program*)**

Questionscanbedirectedto RouteMaintPreQualification@dot.ga.gov.

SPECIAL NOTICE TO CONTRACTORS

REVISIONS HAVE BEEN MADE TO THE DISADVANTAGED BUSINESS ENTERPRISE – CRITERIA FOR ACCEPTABILITY

Section "**Goal for Participation** paragraph **To be eligible:(ii)"**

Bidders must provide information with their bids demonstrating that each DBE listed by the bidder is certified in the NAICS code(s) for the kind of work the DBE will be performing.

Section "**Failure to Achieve Requirements"**

The contractor shall utilize the specific DBEs listed to perform the work and supply the materials for which each is listed unless the contractor obtains the Department's written consent as provided in this paragraph (f); and, unless the Department's consent is provided under this paragraph (f), the contractor shall not be entitled to any payment for work or material unless it is performed or supplied by the listed DBE.

Section: **Participation will be counted toward fulfillment of the DBE goal (E)** *(4)*

You must determine the amount of credit awarded to a firm for the provisions of materials and supplies (e.g., whether a firm is acting as a regular dealer or a transaction expediter) on a contract-by-contract basis.

Section **SUBSTITUTION OFDBEs:**

When a DBE subcontractor is terminated as provided in paragraph (f) of this section, or fails to complete its work on the contract for any reason, the prime contractor must make good faith efforts to find another DBE subcontractor to substitute for the original DBE. These good faith efforts shall be directed at finding another DBE to perform at least the same amount of work under the contract as the DBE that was terminated, to the extent needed to meet the contract goal. The good faith efforts shall be documented by the contractor. If the recipient requests documentation under this provision, the contractor shall submit the documentation within 7 days, which may be extended for an additional 7 days if necessary at the request of the contractor, and the recipient shall provide a written determination to the contractor stating whether or not good faith efforts have been demonstrated.

SPECIAL NOTICE TOCONTRACTORS

The Department will list Certified Disadvantaged Business Enterprises in the searchable Georgia State UPC Directory. The status of a company as a Disadvantaged Business Enterprise is subject to change between the date the proposals are made available and the date of the Letting. The Bidder shall be solely responsible to review and utilize the most current version of the list or contact the Department to ensure any company listed in its proposal is a certified Disadvantaged Business Enterprise. Failure to list certified DBE Participants in the proposal will subject the bid to be disqualified.

Please contact the Equal Employment Opportunity Office at (404) 631-1972 should you have any questions concerning DBE/WBE certification and the Georgia State UPC Directory. Below are links to the Georgia State UPC Directory and the EEO Office Web Page.

https://gdotbiext.dot.ga.gov/ext-bi/saw.dll?dashboard

https://www.dot.ga.gov/GDOT/pages/DBE.aspx

The Department provides this information to prospective Bidders, Manufacturers, Suppliers and Subcontractors in order to be aware of this change.

For any related issues, please contact the following individual:

Kimberly King 404-631-1972

SPECIAL NOTICE TO CONTRACTORS

Advertised project plans, involving full size or half size plan sheets, have been moved to an electronic environment in an effort to enhance the availability of these contract documents. Additional host vendors have now been added to increase the availability of the plans and to provide more convenience and flexibility. All project plans, involving full size or half size plan sheets, will **only** be available via the Internet and are no longer available for sale by the Department. Letter size plans will **only** be available in the Proposal.

The following are direct links to the web site or phone numbers for plan order options involving full size or half size plan sheets. for plan order options involving full size or half size plan sheets:

- Bid Express provided by Info Tech is located at www.bidx.com, select the State of Georgia. This link allows Prospective Bidders/Subcontractors/Suppliers the ease of having on-demand printing accomplished. All Prospective Bidders/Subcontractors/Suppliers interested in subscribing to this feature will be responsible for registering to obtain access and are encouraged to contact BidExpress at the web site or call 352-381-4888.

- ARC (formerly Georgia Blue/Imaging Technologies: 615-256-6365 for Nashville or 404-870-6693 for Atlanta

- Repro Products: 770-434-3050.

Please contact Design Policy and Support at 404-631-1532 should you experience untimely delays in receiving your orders.

SPECIAL NOTICE TO CONTRACTORS

EARTHWORK FILES

Earthwork and alignment files for projects where the data are available will be posted for each Letting on Bid Express (www.bidx.com). Select Bid X/Letting Info, select the desired Letting Month and call number.

The Department of Transportation is making these Earthwork and alignment files available to Contractors and assumes no responsibility for their accuracy. No claim will be considered if the Contractor relies on this information in his bidding or in his construction operations and finds that it is inaccurate. The files are design working files and may not contain all the final earthwork templates and are furnished to the Contractor for Information Only. These files are not a part of the Plans and Specifications or Contract. The Contractor's attention is directed to Subsection 102.05 of the Standard Specifications to satisfy himself concerning the conditions to be encountered.

SPECIAL NOTICE TO CONTRACTORS

Joint bids shall involve the submission of the completed RFETB (Request For Eligibility To Bid) form in the name of the joint bidder. Bid bonds submitted for a joint bid must show all parties involved in the joint bid.

The Proposals are only available on the web at**:** www.dot.ga.gov/doingbusiness/contractors/pages/default.aspx; select the Bid X/Letting link; then select the applicable Letting month; then select the applicable proposal. You may also purchase and/or review plans on line.

Various other publications are available including the 2013 Specifications, 2001 Specifications, and the 2008 Supplemental Specifications on the web at https://www.dot.ga.gov/GDOT/Pages/TheSource.aspx. The NOTICE TO CONTRACTORS which includes line items and quantities, is available on Bid Express at www.bidx.com.

Proposals shall only be submitted electronically as specified in the Specifications; and shall be accompanied by a proposal guaranty in the indicated amount in the form of a Certified Check, Cashier's Check or Bid Bond on the form issued by the Department. In accordance with the Specifications, the time set for receiving electronic submission of a bid terminates at 11:00 A.M. Bids shall only be submitted using the GADOT/AASHTO (American Association of State Highway and Transportation Officials) Electronic Bidding System (Expedite) and can be submitted, withdrawn and/or resubmitted prior to 11:00 A.M., but cannot be withdrawn after 11:00 A.M. The apparent low bids (unofficial bid results) will be posted after 2:00 P.M. on the Bid Express Web site at: https://www.bidx.com/ .

Acceptance of an offer submitted to the Department will be given in writing within 50 days after the opening of the bid unless a longer period is specified in the proposal or agreed upon by the successful bidder. Offers of bidders who do not hold a current Certificate of Qualification will not be accepted unless prequalification requirements are specifically waived for the project, or unless the bid submitted is $2,000,000 or less.

Work will be governed by the applicable edition of the DOT Specifications as amended by the contract provisions. Contract time will be as indicated. Payment will be made to the contractor each calendar month based on the estimated work complete in place as prescribed by the Specifications. Final payment will not be made until the Chief Engineer has certified that the work has been satisfactorily completed and accepted.

All federally financed contracts will contain provisions with regard to minimum wages, employment of labor, methods of construction, disadvantaged business enterprise involvement, and subletting or assigning the contract. On all projects, the Department will insure that disadvantaged business enterprise contractors will be afforded full opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of race, color, national origin, sex, age, or disability in consideration for an award. On selected projects, the Department will set a percentage goal for work to be performed by disadvantaged business enterprise contractors. On such projects, the bidders will be required to certify and document the percentage goal of DBE utilization they propose to achieve.

Proposed DBE participants shall be submitted with bid. At the time an award is made to the low bidder, the Department will announce the names of the DBE participants listed by the low bidder. This information will be shown on the Award Announcement. It will not be given by telephone either before award or afterwards. For assistance with the DOT DBE participation on highway contracts and in finding suitable companies to participate, please contact the DOT EEO Office at 404-631-1972.

Federally financed contracts in excess of $10,000 will contain provisions for Equal Employment Opportunity Affirmative action and goals for minority and female employment in construction pursuant to 41 CFR 60-4 and Executive Order 11246, as amended. Goals for female employment apply statewide; goals for minority employment will be as noted in the proposal.

The surety for bid bonds and performance and payment bonds shall be a company acceptable as surety on Federal bonds and listed in the current Federal Register and licensed in the State of Georgia.

This advertisement is merely an invitation for the submission of bids which will be considered as offers for performance of work by the submitting party. The State reserves the right to reject any or all bids.

WILLIAM DUNWOODY

STATE TRANSPORTATION OFFICE ADMINISTRATOR
