SPECIAL NOTICE TO CONTRACTORS

As part of Georgia DOT's Digital Delivery initiative, PI#0016469 is currently scheduled for the December 2026 letting will be let using a **Model as Legal Deliverable (MALD)** approach. Under MALD, specific elements of the digital design model will serve as contractual deliverables in addition to the traditional construction documents and plans package. The project is anticipated to be let as a special letting, with the bid package available on BidX on October 23, 2026.

A recording of the initial Contractor Q&A Session held on September 1, 2026, can be found at this LINK.

To help contractors prepare for this delivery method, Georgia DOT will host an additional **Contractor Q&A Session**:

November 5, 2026
10:00 a.m. – 11:30 a.m.
One Georgia Center (in-person and virtual attendance available)
