Request for Qualifications
RFQ Item #PZ740-01
SR 54 / SR 85 Downtown Traffic Engineering and Walkability Study
The City of Fayetteville, Georgia

RFQ Due:	Thursday, December 3, 2026 @ 2:00 P.M.
Question Deadline:	Thursday, November 19, 2026 @ 4:00 P.M.

The City of Fayetteville is requesting qualifications from professional engineering and transportation planning firms to conduct a traffic engineering and walkability study of State Route 54 in downtown Fayetteville, including its intersection with State Route 85. The City Council reserves the right to reject any and all proposals and to waive formalities.

RFQ documents are available at https://fayetteville-ga.ionwave.net/Login.aspx. Respondents must register as a supplier on the Euna Procurement platform, and all questions and Statements of Qualifications must be submitted electronically through Euna. For assistance with registration or access to the platform, contact Tina Rich, the City's Designated Contact, by email at trich@fayetteville-ga.gov.
